

FYR

short north

Located on the 1st Floor of Tower 402

FYR represents the metaphorical hearth of downtown Columbus with the centerpiece of the kitchen being a wood-fired grill. The use of fire & smoke is incorporated into every dish to bring the historical ritual of cooking over an open flame tableside.

LIVE FIRE GRILL

Our Signature Restaurant, FYR Short North, is an experience like no other. The concept strips away cooking to its most basic form - fresh ingredients and an open flame. It's only natural that we should also take cooking back to its cultural roots - sharing the experience. Every item on our menu was curated with purpose with our wood fire grill in mind.

BEVERAGE PROGRAM

FYR Short North's beverage program, built by Beverage Director Rustun Nichols, was curated to accentuate our culinary offerings.

Each wine was intentionally selected to complement the cuisine. Our beer and cocktail menus are a reflection of the heritage of our dishes. Fused with our commitment to the local community, these beverages showcase the influence of both Argentina and Columbus to create an experience to be cherished by all.
