Located on the 1st Floor of Tower 402

FYR represents the metaphorical hearth of downtown Columbus with the centerpiece of the kitchen being a wood-fired grill. The use of fire & smoke is incorporated into every dish to bring the historical ritual of cooking over an open flame tableside.

WHO WE ARE

FYR Short North, led by Executive Chef Zach Warn, offers an elevated yet approachable dining experience in Columbus, blending the elemental power of live-fire cooking with Ohio's rich agricultural heritage. Anchored by open-flame cuisine and an enhanced and refined hospitality, including elevated tableside service and chef-led tastings, the restaurant showcases a seasonally curated menu featuring Ohio beef, regional produce, local artisan breads and cheeses, and one of the best dry-aged programs found in the state.

DRY AGE PROGRAM

A cornerstone of FYR Short North's culinary identity is Chef Warn's extensive dry-age program, one of the most, if not the most, robust in Ohio. The restaurant houses three state-of-the-art dry agers and employs a bone-in aging approach that maximizes the flavor and texture of each protein, from land to sea. These meats are sourced from renowned ranch farmers and fishermen that provide the highest-quality cuts available both locally and beyond. In a method unique to FYR Short North, the team lightly bastes Middle West Spirits Bourbon over the meats throughout the aging process, infusing them with notes of oak, vanilla, and warm spice provided from the local spirit. As the whiskey evaporates, it forms a deeply aromatic, flavorful crust that becomes part of the steak's signature character.

BEVERAGE PROGRAM
